

BACKGROUND

ITS College of Health and Wellness Sciences in Greater Noida was established in 2021 with the idea of creating skilled professionals in health care sector. The institute is affiliated to Atal Bihari Vajpayee Medical University, Lucknow and UP State Medical faculty.

Department of Physiotherapy offers one programme BPT which is a 4 Year undergraduate program which deals with the science of physical movement. The course also highlights the importance of six months of mandatory clinical internship.

As per the World Health Organization, rehabilitation is included as a part of comprehensive health service delivery model. A large number of patient populations effected with disorders of joint muscles, bones, brain, nerves and certain cardiopulmonary conditions essentially require a long-term physiotherapy support. The aim of this program is to create quality human resources in this field of health care so that we can meet the growing needs of our society with increased life expectancy of individuals. Physiotherapy adds quality to life of subjects which in today's scenario can be of any age frame.

The Institute has prepared certain academic policies for running these courses in the field of Physiotherapy which are as below:

ACADEMIC POLICIES

• ADMISSION POLICY

B.P.T

1. The minimum age for admission shall be 17 years on 31st December of the year in which admission is sought.
